Job Description:

Chosen applicants will undergo a three-day basic training course to become a licensed Financial Consultant for *PRU Life UK*, part of the 169-year old London-based company that has been operating in the Philippines for 20 years now. With over 53 Billion Euro in operation, PRU is among the Top 100 Companies (rank #66 as of this posting) as per Forbes' List of 2000 Largest Companies in the World. PRU Number 1 in Asia for the past 5 years now.

The company has *East Spring Investments* as its fund manager, an investment company based in Singapore, and is touted as the largest retail fund manager in Asia. East Spring Investments has been handling the Provident Funds of the Bangko Sentral ng Pilipinas since 2013, making it the first foreign-owned company commissioned by BSP to handle its funds.

- The main role of a financial consultant involves a series of consultation with the client/s about their financial needs and wants, and offers sound solution based on the individual/s willingness and capacity to save/invest.
- Explains about the value of savings, investments, and protection
- Helps spread financial literacy among Filipinos
- Guides the clients to have a sound decision-making about their finances, and offers support all throughout the achievement of one's financial goals
- Provides unselfish service to the clients till the time comes they need the funds
- Works closely with a team of consultants under Alexandrite 2 Branch, the No. 1 branch in the whole of PRU Life UK today
- Works closely with his/her Assistant Unit Manager about personal and team goals, and coordinates with the Unit Manager for personal and business development, and training, among others
- Builds his/her own team of qualified Financial Consultants for managerial post and for business expansion
- Represents the company in all his business undertakings

Income and Perks:

- Unlimited Commission based on individual level of work (Trainee Financial Consultant earned P25,000 to P75,000 monthly while Career Financial Consultant or Full Timers earn P100,000 to P360,000 monthly).
- HMO or Health Card for the licensed financial consultant and his/her chosen immediate family-beneficiary
- Travel Incentives to various places locally and abroad (Asia, Europe, America, among others)
- Cash incentives
- Quarterly Production Bonus, Persistency Bonus

Hiring Process:

- Fill out the form associated with this account and submit or simply send your resume to mdfgpeligrino@gmail.com.
- Chosen applicants will be notified via text or email.
- If you are qualified, you will be invited to the 'Build Your Business' (BYB) forum/Career Fair scheduled on select Mondays or Thursdays each month. Your own schedule will be sent through either text or email. Confirmation is necessary, and failure to show up without prior notice means disqualification of your application.
- Final interview with the Unit Manager at the BYB.
- Should you pass the final interview, you will be asked to undergo the Basic Training Course (3 days); Debriefing (1 Day); and take the licensure exams (2 hours).
- Upon completing all the requirements, licensing and coding takes around 3-5 business days.
